

Shelton Low Volatility Bond Portfolio Strategy

Strategic Overview

We offer a variety of short-term fixed income solutions for clients seeking a more reliable source of current income than short-term investments, such as money markets or CDs, with substantially less principal volatility than the broad bond market average. Portfolios are invested in highly liquid, investment-grade securities with a maximum expected maturity of approximately three years. Portfolio duration will generally be maintained in a range of 1 to 3 years.

Investment Process

Shelton Low Volatility Bond Portfolio Strategy

Portfolio Management Team

Peter Higgins - Head of Fixed Income & Sr. Portfolio Manager

Peter Higgins has over 25 years of experience in fixed income investing, most notably as Partner and Lead Portfolio Manager at both Ares Management and BlueBay Asset Management. Previously, Peter specialized in global leveraged finance at investment banks such as Deutsche Bank AG, Goldman Sachs & Co., and Credit Suisse. Peter earned a B.A. in Economics and Political Science from Columbia University.

Jeffrey Rosenkranz - Portfolio Manager

Jeffrey has over 25 years of experience investing in the credit markets, with an emphasis on high yield, distressed debt, and special situations. In 2013, Jeffrey joined Cedar Ridge Partners as co-Chief Investment Officer and served as a Portfolio Manager for the Cedar Ridge Unconstrained Credit Fund and on the Firm's Investment Risk Committees. Shelton Capital acquired Cedar Ridge in 2019, and the Cedar Ridge Unconstrained Credit Fund (CRUMX, CRUPX) merged into the Shelton Tactical Credit Fund (DEBIX, DEBTX). He holds an MBA (Finance and Accounting) from the Stern School of Business at New York University and received a B.A. (Economics and Spanish) from Duke University. Jeffrey is also a Certified Public Accountant.

William Mock - Portfolio Manager

William has over 25 years of experience as a trader and Portfolio Manager of fixed income and derivatives portfolios. He rejoined Shelton Capital in February 2010 after serving as Portfolio Manager for the firm from 2001 to 2003. William was the Head Trader for TKI Capital Management from 2003 to 2006. William holds a B.S. in Electrical Engineering from Kansas State University and an MBA with Honors from the University of Chicago Booth School of Business.

Chris Walsh - Portfolio Analyst

Chris Walsh has over ten years of experience analyzing credit and equity markets. Chris has been with the firm since November 2016, when American Realty Capital was acquired by Shelton, where he served as an Equity Research Analyst. Chris earned a B.A. in Economics from Villanova University.

IMPORTANT INFORMATION

Past performance does not guarantee future results. Prospective clients should carefully consider the fees and expenses associated with any investment. All investments carry a certain degree of risk, including the possible loss of principal and there are specific risks that apply to each investment strategy.

The strategy is subject to several risks, any of which could cause an account to lose money. These risks include interest rate risk, state specific risk, income risk, call risk, credit risk, and bankruptcy risk. There is no assurance that an investment will provide positive performance over any period of time. Investors should understand that bond yields generally increase with the risk level and the time to maturity. Any financial indices referenced herein as benchmarks are provided for informational purposes only. The use of benchmarks has limitations because portfolio holdings and characteristics will differ from those of the benchmark(s), and such differences may be material. You cannot make a direct investment in an index.

Any projections or other forward-looking statements regarding future events or performance of markets, companies, or otherwise are not necessarily indicative of, and may differ from, actual events or results. Supporting documentation for any claims, comparisons, recommendations, statistics or other technical data will be furnished upon request.

Shelton Capital Management is an investment adviser in Denver, CO. Shelton Capital Management is registered with the Securities and Exchange Commission (SEC). Registration of an investment adviser does not imply any specific level of skill or training and does not constitute an endorsement of the firm by the Commission. Shelton Capital Management only transacts business in states in which it is properly registered or is excluded or exempted from registration. A copy of Shelton Capital Management's current written disclosure brochure filed with the SEC which discusses among other things, Shelton Capital Management's business practices, services and fees, is available through the SEC's website at: www.adviserinfo.sec.gov. INVESTMENTS ARE NOT FDIC INSURED OR BANK GUARANTEED AND MAY LOSE VALUE.

This document does not constitute advice or recommendation or offer to sell or a solicitation to deal in any security or financial product. It is provided for information purposes only and on the understanding that the recipient has sufficient knowledge and experience to be able to understand and make their own evaluation of the proposals and services described herein, any risks associated therewith and any related legal, tax, accounting or other material considerations. To the extent that the reader has any questions regarding the applicability of any specific issue discussed above to their specific portfolio or situation, prospective investors are encouraged to contact Shelton Capital Management or consult with the professional advisor of their choosing.

Except where otherwise indicated, the information contained in this presentation is based on matters as they exist as of the date of preparation of such material and not as of the date of distribution or any future date. Recipients should not rely solely on this material in making any future investment decision.

It is possible to lose money by investing in a fund. Past performance does not guarantee future results and current performance may be lower or higher than the performance data quoted.

Diversification does not assure a profit or protect against loss.

The composite inception date is April 1, 2008. The composite creation date is May 25, 2022, which is the date Shelton Capital began management of the composite.
